Opening of a Dispensary at Basavanagudi, Bangalore City extension.

Senior Surgeon's letter No. G 281 dy the 17th Febry: 1903.

* **Note.**

With the above letter, the Senior Surgeon forwards a petition from the residents of the Basavanagudi Extension praying for the opening of a dispensary in that extension and recommends that a dispensary at Basavanagudi is necessary. The Health Officer of the Bangalore City who was consulted by the Senior Surgeon on the subject has reported that it would be advisable to remove the Fort Dispy: to Basavanagudi, and that the Extension being outside the Municipal limits, the Cost of the proposed dispensary will have to be met from Provincial Funds as in the case of the Malleswaram Dispy.

In Govt Procs No 11888-9 / L.J 92-96 dated the 16th Febry: 1903, the two extensions – Basavanagudi and Malleswara – have been ordered to be brought within the Municipal limits of the Bangalore City with effect from 1st July, 1903. * Papers with Slip A in file No 92 of 96

In para 20 of Govt orders No 13109-14 / L.J 11-02 dated the 26th Febry: 1903 sanctioning the Budget estimates of the Bangalore City Municipality, the abolition of the Dispensaries at the Taluk Cutcheri, Kalasipalyam and Chamarajapet has been ordered. * Papers with Slip B in L.J No 11 of 02.

The Cost of the Malleswara Despy is at present debited to the Medical Budget. Please see papers S. No 7 with slip A in Section 1, book I of L.J No 32 of 1899.

The point for orders is whether the Kalasipalyam (Fort) Dispensary should be abolished or should be at once transferred to the Basavanagudi Extension paying the cost thereof from Provincial Funds, or whether the question of Sole Lecture & a new Dispensary at the Basavanagudi Extension should be established after 1st July 1903 when Should be considered after 1st July 1903 when

the Extension will be brought within Municipal limits & the Board will be in a position to say whether one cannot be maintained from Municipal Funds.

JB
7/3/03

Even if the Extension should be included in the Municipality, it is not likely that they will be able to maintain the dispensary from Mun. funds. May not the Kalasapalya Dispensary be transferred & at once & the question of Cost settled subsequently?

Basavangudi is a more important extension than Malleswaram. I am inclined that it ought to have a Dispensary - Let the abolished Kalasapalya (Fort) Dispensary be removed to it at once. The Hospital expenses in all cases are paid from Provincial Funds. The pay of the Medical Staff should come out of the collections in the extension. This ma

be discussed subsequent adjust-

In the Bangalore city, the cost of the Medical Estt & Contingencies ~~in the case~~ of all the Dispensaries except the one at Cubbon Pete is debited wholly to Municipal Funds, while in the case of the Cubbon Pete Dispensary which was opened at the instance of Govt the Municipality pays only 1/3rd cost, the remaining 2/3rds being debited to District Funds. In reply to the Dewan's queries recorded on the draft order, it is submitted as follows:-

In G.P.No. 2992-4 / 222 of the 13th June 1891 (Flag A, L.F.20/96.) the President was requested to open a Dispensary at Arlepet as a temporary measure pending the completion of the Pilgrim Chattram. When, however, in G.P. No. 4764 / 312 of 21st August 1891 [Flag C in L.F.20/96] the President was asked whether it was the intention of the Board to have both the Dispensary and the Chattram, he ~~the President~~ reported in letter No. 530 of the 13 Aug 1891 (serial 16) that the Dispensary supplied a real want to the inhabitants living in the Western portion of the City and that the Chattram was served altogether a different purpose. Accordingly both the institutions continued to be maintained the arrangement being that the Hospital Assistant in charge should look after the two institutions. In the case of Arlepet Dispensary the D.P. Board was not consulted.

Draft

~~Draft to Resident and Board is now submitted for approval & orders~~

There is no hard and fast rule in regard to consulting the Board on any item of expenditure. Para 6 of the G.O. no 6123/Gl/141 of the 26th October 1875 (Flag X in the Collection of orders herewith submitted) states that the charges connected with a dispensary other than the pay of the Hospital Assistant and the Cost of Europe medicines will be met from the Distt. Funds and that in the case of Municipal towns a quota of the local charges should be borne by the municipality in the proportion of one-third of the whole. It is further submitted that the finances of the Bangalore D. F. Board permit of the present charge (2/3rds* of the cost) being debited to their fund. The financial condition of the

the Board as per current year's Budget is as follows:-

(1, Opening balance	:	22,610
(2, Receipts	:	70,280
Total	:	92,890
(3, Expenditure	:	72,695
(4, Closing balance	:	20,195

which is more than the prescribed working balance by Rs 2625/- the amount required for the two dispensaries being about Rs 842/-. Draft docket asking the President to Consult the Board is however submitted for approval or other orders. JB

In docket no 16539x/L.7.186.02 of the 10th May 1903, the President was requested to Consult the D.F. Board as to whether they are willing to bear 2/3rd of the Cost of the two dispensaries at Mahesvaram and Saravanpur, as they will not only be

useful to the residents of the two
extensions but will also be of great
help to the surrounding villages.

In reply the President now
submits a copy of the Board's resolution
No 1290 dt 19.5.03 that they cannot contribute any amount
towards the said dispensaries.

Submitted, for orders. When the D.B
Board contributes the necessary grant for the above
Dispensary in the centre of the town, its submitted that their resolution
cannot be accepted
that they decline to make any contributions in
respect of the dispensaries in outlying localities,
which are run every year like the District and Taluk

In the Budget which

I don't know what the revenue is estimated to amount to. From what little will be realized there will be so many demands to meet. The disbursers would run away with a large portion if the cost of maintaining them is changed entirely to the Legislature. Considering the circumstances under which the Legislature have come into power and that a great deal yet remains to be done & complete them I deem also that the President thereof should in real need medical help, I beg to suggest that for some 15.VII.03 time to come the charge not the whole) be borne by the State. The cost is very small compared to what Govt has already spent & what it would have to spend - The case is one deserving exceptional treatment.

the Dispensary at Kalasipalya was removed to the Basavanpudi Extension of the Bangalore City on the 1st Sept. 1903. While at Kalasipalya, the dispensary used to cost the Municipality Rs 794 as detailed below:-

1	Charge allowance at Rs 15/- p.m.	180
2	Compounders -- at Rs 15/- &	= 180
3	Sobi or servant at Rs 5/-	= 60
4	House rent — 10/-	= 120
5	Watchman — 8	= 96
6	Contingent charges at 15 8 per annum	= 158
	Total cost a year	= 794

Under the above Govt. order the cost should be debited to State Funds from 1st Sept. 1903. A lump sum provision of Rs 794/- has been made on that account in the current year's Civil Budget. 21-

Comptroller requests to be informed whether the lump sum provision includes charge allowance to the Hospital Assistant at Rs 15/- a month and whether the same may be passed from the date on which the Dispensary was opened at Basavangudi.

The provision of Rs 794/- includes charge allowance, may the details be furnished to Comptroller and he be authorized to make payments accordingly with effect from the 1st Sept 1902? Draft submitted.
